

Dear Customer,

In the attached calendar, we have marked the holidays on our main markets. In the weeks that are affected by holidays, you may expect delays.

Please keep in touch with your LGT contact person during the periods concerned. If you are in doubt who you should contact, you will find a list of LGT contacts below.

For exports to countries that have transit through Germany, please also include the German holidays, as these

Holidays imply a driving ban (Fahrverbot) for trucks in Germany.

**Concerning holidays: April 18<sup>th</sup> (Skærtorsdag), April 19<sup>th</sup> (Langfredag), May 1<sup>st</sup>, May 17<sup>th</sup> (St. Bededag), May 30<sup>th</sup> (Kr. Himmelfartsdag) and June 5<sup>th</sup> (Danish Constitution Day) please have your order ready for pickup one day earlier than usual, like shipping and EDI shipments must be handed to LGT one day before.**

**Also note that LGT has no domestic distribution May 1<sup>st</sup>, May 31<sup>st</sup> and June 5<sup>th</sup>.**
